(The Assistant U.S. Attorneys returned.)

8

THE COURT: Thanks Mr. Werner and Mr. Friedman.

9

There is an aspect of Mr. Marchi's motion to withdraw that will necessitate him saying things that are within the attorney-client relationship that have the potential to prejudice Mr. Doran in front of the fact finder, me.

13

So I am going to refer this question of whether he has an obligation under the Rules of Professional Conduct to the magistrate judge to hear that and decide that. And then I'm not going to replace Mr. Marchi just because Mr. Doran is unhappy with him or thinks he hasn't done a good job. But if Mr. Marchi's request to withdraw is compelled by the rules, then I have no choice but to appoint a new lawyer.

20

I'm wondering if there's a reason why I couldn't appoint the federal defender's office.

22

Have they had any touch of the case as far as you could tell?

24

MR. WERNER: No, Your Honor.

25

THE COURT: Not with any of the witnesses either?

1 MR. WERNER: No, Your Honor.

2 THE COURT: All right. Well, that's a possibility,  
3 then.

4 So obviously none of this can happen quick enough for us  
5 to keep our September date. We also have to find a date for  
6 continuation of testimony. But let's put that on hold until  
7 we get this counsel thing taken care of.

8 So, Kerry, will this go to the August magistrate judge  
9 doing criminal, or September?

10 THE CLERK: It depends when it gets set. I'll find  
11 out after the hearing.

12 THE COURT: I'll ask everybody to try to prioritize  
13 this as much as possible and we'll take it from there. I  
14 have stricken Mr. Doran's pro se motion to withdraw his  
15 guilty plea, because he is represented by counsel and is not  
16 entitled, under the rules, to file his motions.

17 Although I endeavored to explain to him how many errors  
18 and mistakes and untruths there were in his motion, I'm not  
19 going to deal with the merits of that or any other  
20 substantive things. So thanks for coming in and we'll be  
21 adjourned.

22 (The proceedings recessed.)
